Pronouns 1

This deck of *Pair-Ups: Pronouns 1* targets the pronouns *he, she, it, and they*. There are 26 pairs of identical pictures/sentences in this deck.

At first, present up to six pairs of pronoun cards at a time and make sure your students can label them and match them appropriately. As your students identify correct matches, model complete sentences that use the target pronouns correctly, such as **He is climbing**, **She is climbing**, **It is climbing**, and **They are climbing**. Then use the cards to play games requiring matching pairs of cards, such as Go Fish and Memory.

Use your own judgment about the complexity of the responses to require from your students, depending on their expressive language skills.
